Stopain®

Exactly what it does.

FIRST AID TOPICAL PAIN RELIEF GEL

Formulated with 8% Menthol, plus Glucosamine

Fast acting relief from muscle aches, joint pain, strains and sprains

Help prevent first aid injuries from becoming recordable

Mess-free, lasting relief, more convenient than ice

Pain happens on the job—and when it does, employees need fast, effective relief to stay comfortable and productive.

That's why companies partner with Stopain® for topical pain relief solutions for their work-place, from first aid cabinets to wellness programs.

"Stopain can be used for immediate relief of occupational aches, pains and discomfort as first aid treatment, helping to prevent them from becoming recordable injuries."
